## Philanthropy

Since our company's inception, helping people in need has been embedded in our culture, individually and collectively. With an annual budget of \$800,000, our [Charitable Trust](#) supports more than 100 organizations that serve low-income and at-risk individuals and promote education, physical and mental health, the arts, and diversity initiatives. Our employees also give time and money to various causes that enhance overall well-being.

We offer volunteer opportunities through Meals on Wheels, Junior Achievement of Kansas, and United Way of Kaw Valley's annual Nancy Perry Day of Caring. Employees who volunteer 50 hours or more each year can convert time spent coaching, chaperoning school events, or serving on boards into a company donation of \$150 or more to a nonprofit of their choice. They can also make individual contributions to schools and universities and the Charitable Trust will match their donations up to \$3,500 per employee per year.
