BOOK OF BUSINESS BY PRODUCT

Once on the **Secure File Upload** page, users are able to upload documents to establish new accounts or service existing accounts for either Annuity or Mutual Fund accounts.

# Secure File Upload

New File Upload

History

Use this process to securely submit your client requests for processing.

1. Enter the **client name**.
2. **Choose your document type.** (Only one client and one document type may be submitted at a time.)
3. **Choose your file(s).** Check your total file(s) size before submitting your request to make sure the total doesn't exceed the stated limit

Client Name \*

Document Type \*

- Annuity – Establishing a New Account
- Annuity – Servicing an Existing Account
- Mutual Fund – Establishing a New Account
- Mutual Fund – Servicing an Existing Account

NEXT

## Files Accepted

Users are allowed to upload:

- PDFs or JPGs (JPEGs)
- An unlimited number of files, but cannot exceed total upload size of 25 MB

All documents are screened for malicious files. Any documents that are not safe or exceed the maximum size will be rejected by the system.
